

## Issues with the SciChart WPF

### Duplicated X Axis Title

Duplicated X Axis title between version v8.3.0.28019 and v8.3.1.28072. The issue is solved with version v8.5.x

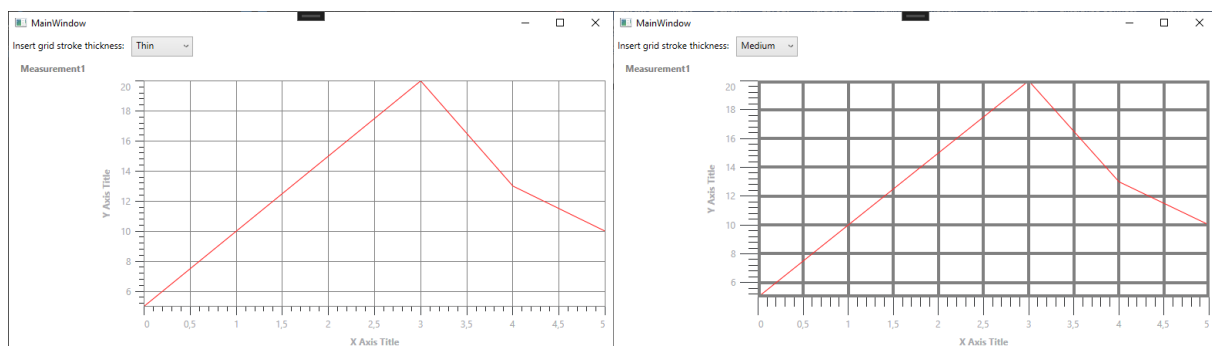

### Major and minor ticks' style are not updated

Major and minor ticks are not updated since version v8.x and the same code worked in version v7.x.

Steps to reproduce:

1. Run the sample application
2. Change the combobox value

Issue in version v8.x

# Works in version v7.x
